- Swim spa turned on and functions checked.
- Rinse and wipe cover.
- Rinse and wipe down swim spa exterior.

*Swim spa maintenance service will occur once per month. *Some services not available during extreme cold temperatures.*

Balancing chemicals will be charged \$10 per visit if Hot Spring Spas uses its chemicals. I understand my swim spa care service does not include any repair or maintenance of any swim spa parts, plumbing, controls, or other service that would normally be covered by the manufacturer's warranty or performed by a certified swim spa technician. Water care products are not provided. I agree to have water care products delivered to my home when my swim spa care service is performed, billed to the credit card on file at the current prices. Hot Spring Spas will bill swim spa care service fees to the credit card I leave on file. Fees will be processed after service is performed. My swim spa care service agreement will automatically renew annually unless I notify Hot Spring Spas in writing that I wish to change my service or cancel it. Should I choose to cancel this agreement prior to four months of service, cancellation fees will apply.

SIGN THIS AGREEMENT & EMAIL to gregw@hotspringgreen.com OR MAIL TO HOT SPRING SPAS TO ACTIVATE YOUR SWIM SPA CARE SERVICE. A representative from Hot Spring Spas will contact you to secure payment & schedule your first service. Thank you for your business!
